

MyFoneThemes Image Partnership

Program Information

The **Image Partner Program** is an image licensing agreement with photographers, illustrators, graphic artists and everyone who enjoys creating stunning images. MyFoneThemes.com will develop their works into phone themes for distribution on www.Myfonethemes.com or its partner websites.

Open Invitation to Graphic Artists and Photographers

This program is open to graphic artists, photographers and illustrators who would like to earn from having their works by tapping the market for mobile phone themes. Registration to the program is FREE. Once your registration is completed, you can start submitting your photos and illustrations to MyFoneThemes.

Royalty for Artworks and Photos

MyFoneThemes offers royalty to Image Partners whose works are sold as phone themes via www.myfonethemes.com or its affiliate websites. Each time a phone theme made of an Image Partner's submitted photo or illustration is purchased, the Image Partner will earn a royalty of up to ten percent (10%) of the selling price.

Image Partners' Own Pages

Image Partners can showcase their own works converted into phone themes on MyFoneThemes sub-domain pages. These sub-domains are based on Image Partners' chosen user names (EXAMPLE: <http://username.myfonethemes.com>) and will feature only those themes that were made from their submitted images. All Image Partners are free to promote their own pages on MyFoneThemes.com.

Image Partners' Management Control Panel

A real-time on-line management control panel is available 24/7 so that Image Partners can track the sales progress of phone themes made from their images, their commissions, the status of their image submissions. The control panel also allows Image Partners to manage their profiles and account information, among others.

MyFoneThemes Image Partner Program Frequently Asked Questions

What is the Image Partner Program?

The Image Partner Program is a partnership program with image licensors such as comic book artists, photographers, illustrators, digital artists and others who wish to license their work to MyFoneThemes for conversion into downloadable phone themes.

What is a phone theme?

Phone themes or phone skins change the Graphic User Interface (GUI) of a mobile handset. Phone themes, as opposed to cell phone wallpapers, affect the overall look and feel of a mobile phone's visual elements, such as background image, wallpaper, text, icons, color schemes and highlights among others.

Who are eligible to join the Image Partner Program?

Anybody who wishes to contribute their own photos, illustrations, cartoons, sketches and other visual works for conversion into phone themes is welcome to join the program.

How can I start joining the Image Partner Program?

You may start by registering for FREE. Once your account is activated, you may immediately submit copies of your works. MyFoneThemes will review your submitted images and choose which ones will be converted into phone themes.

Will MyFoneThemes convert all images that I will submit into phone themes?

MyFoneThemes reserves the right to select which among a Partner's works will be produced as phone themes and sold on its website, www.myfonethemes.com, or its affiliate sites. This is to ensure that customers of MyFoneThemes will download only quality original themes. However, a Partner is encouraged to submit as many quality works as possible. The more work that they submit, the higher their chances are for having their work converted into phone themes and downloaded by MyFoneThemes visitors.

MyFoneThemes encourages Image Partners to submit only those works for which they own the copyright. MyFoneThemes will NOT convert into phone themes those submitted images that may infringe on the copyright of others. .

Will Image Partners get paid for joining the Image Partner Program of MyFoneThemes?

YES. Each time a phone theme that is made from a Partner's submitted photo or illustration is downloaded and bought, they will receive royalty fees of up to 10% of the selling price.

MyFoneThemes Image Partnership Program

When will Image Partners get paid?

MyFoneThemes will pay Partners monthly if the amount of the royalty reaches US\$100. If not, the payments will be carried over until the amount reaches US\$100. MyFoneThemes will pay a contributor no less than once on a quarterly basis (3 months) regardless of the amount. The royalty payment cycle depends on whether the themes were sold by Premium SMS or by credit cards.

How will I get paid?

Image Partners will be paid by check, wire transfer or by PayPal®. If you don't have a PayPal account, you can register for free at www.paypal.com. If you wish to be paid by wire transfer, you will pay the cost of the wire transfer which will be deducted from your royalty payments.

Will I get reports about my earnings?

YES. Image Partners will be able to check their earnings by logging to their Control Panel page. Reports will include the number themes downloaded, the most popular themes, and accumulated royalty per theme, among others.
